CHASE'S Spring Surplus BULLETIN

March 1, 1960:

Troubles? No! Only blizzards and rain that we can do nothing about. Still in business in spite of the weather. Some old customers all fixed up, some still waiting. So now we're looking for new business. Most items listed are housed, and can be shipped quickly. Exceptions are Dogwood and Coniferous Evergreen liners, which do not like storage - so they are still in the fields.

Railway Express, L&N Railroad, and many truck lines at our disposal for quick service. Also Air Express as close as the Huntsville airport.

Terms, if you have established credit: 2% 10 Days, Net 30. Others may remit in full for quickest action, or a 25% deposit will get C. O. D. shipments rolling.
